## *Foreword*

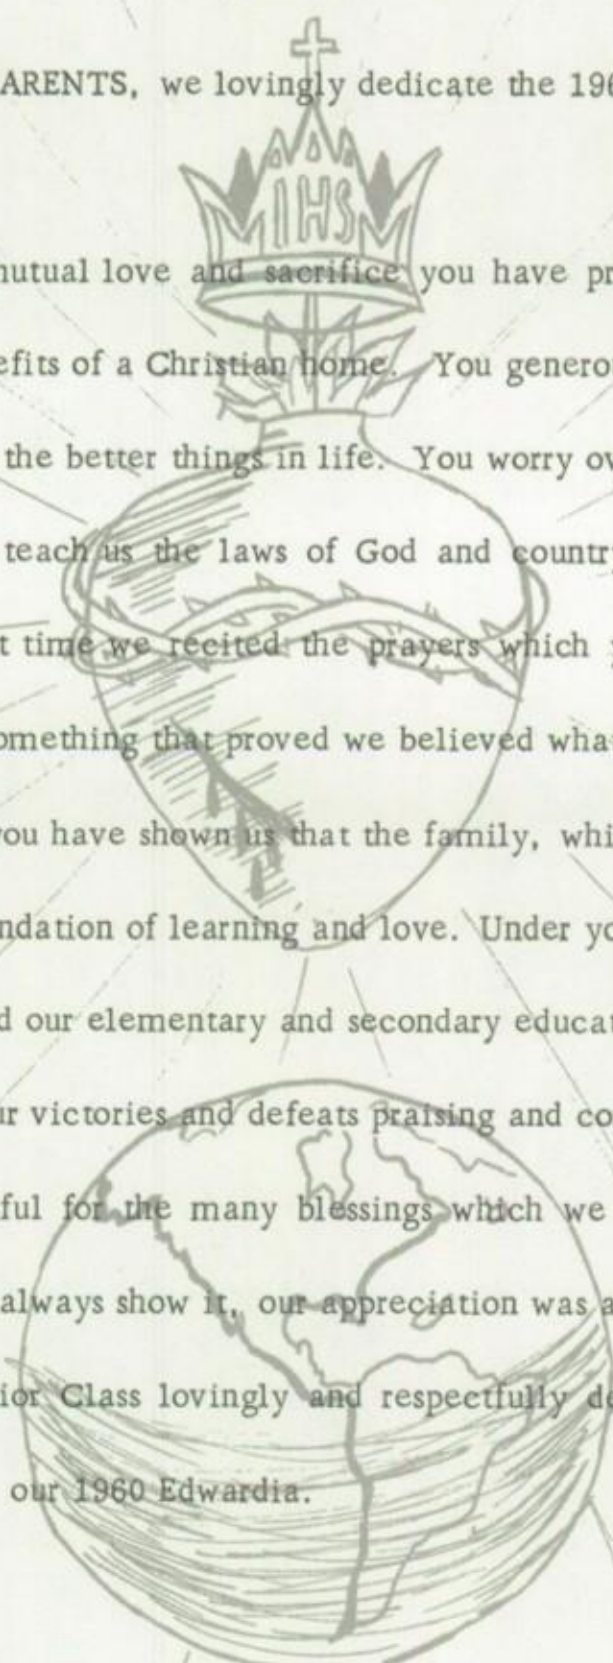

The Saint Edward Senior Class would like to present the 1960 Edwardia. This yearbook unfolds a story, the story of the past school year at Saint Ed's. It is difficult for any yearbook to portray the days of the school year as they actually occurred. So many of the little, daily experiences were the ones which lent an air of excitement and interest to the year. But it is hoped that in recalling to mind through this annual some of the more memorable events of the year, the little, uneventful, yet pleasant experiences of every day will again reappear in memory.

Two of the most memorable events of the past school year were the institution of a school uniform and the privilege of mid-morning Mass. But who can forget those little, daily experiences such as the mad rush by the Senior Class to be first in lunch line or their attempts to monopolize all contest material in order to win school holidays?

In a spirit of thanksgiving for all the memories of our high school years and for our teachers and friends, the graduating class of 1960 gratefully presents the 1960 Edwardia.

# *Dedication*

To you, OUR PARENTS, we lovingly dedicate the 1960 Edwardia.

Through your mutual love and sacrifice you have provided us with life, love, and the benefits of a Christian home. You generously work and suffer that we may have the better things in life. You worry over us, scold us when we do wrong, and teach us the laws of God and country. Your pride in us dates from the first time we recited the prayers which you taught us to the last time we did something that proved we believed what you had taught us. By your example you have shown us that the family, which is the first unit of society, is the foundation of learning and love. Under your capable guidance we have completed our elementary and secondary education. You have been the onlookers at our victories and defeats praising and consoling as was needed. We are thankful for the many blessings which we have received and, though we did not always show it, our appreciation was always there. So, in gratitude, the Senior Class lovingly and respectfully dedicates to you, our dear parents, this, our 1960 Edwardia.
